***REPO! The Genetic Opera:*** In the no-so-distant future, a worldwide epidemic of organ failures devastates the planet. Out of the tragedy, a savior emerges: GENECO, a biotech company that offers organ transplants...for a price. Those who miss their payments are scheduled for repossession and hunted by THE REPO MAN. By fusing ROCKY HORROR PICTURE SHOW and BLADE RUNNER, this futuristic tale of horror modernizes the “rock opera” genre with original music and rich, dark production design.

This rock opera boasts an entirely original soundtrack that blends equal parts goth and punk rock to form an eerie and powerful musical narrative and features vocal performances by an amazing cast; Paris Hilton, Bill Moseley, Sarah Brightman, Anthony Stewart Head, Alexa Vega, Paul Sorvino, Ohgr and more. Instrumentals and score provided by an all-star lineup that features performances from Joan Jett( who cameos in the film), Richard Patrick (Filter), Stephen Perkins (Jane's Addiction), Clown (Slipknot), Ray Luzier (Army of Anyone), Brian Young (David Lee Roth's band), Sonny Moore (From First to Last), Richard Fortus (Guns & Roses), David J (Bauhaus/Love & Rockets), Daniel Ash (Love & Rockets), Blasko (Ozzy Osbourne), Tommy Clefetus (Rob Zombie's band), Melora Creager (Rasputina). Also lending her voice to the soundtrack is the edgy pop star Poe.
